

**CABOT FAMILY
CHARITABLE TRUST**

ANNUAL REPORT 2022

ANNUAL REPORT 2022

In 2022, the Cabot Family Charitable Trust awarded grants totaling \$2,601,233 to 95 organizations. Grant awards were made to organizations working in arts and culture, education and youth development, environment and conservation, and health and human services, in Boston and its immediate neighbor communities. This grants list reflects the Trust's interest in underserved youth and families, evident within all its broader fields of interest. These grant awards continue the philanthropic legacy of Godfrey L. Cabot, who established the Trust in 1942.

The Cabot Family Charitable Trust received 274 eligible applications in 2022. Trustees make grant award decisions twice a year after reviewing recommendations prepared by the staff. Current grant application guidelines are available at the end of this report, as well as online at www.cabotfamilytrust.org.

Since the Cabot Family Charitable Trust maintains an open application process, staff meets frequently with nonprofit organizations operating in the Trust's grant region. Staff also participates in professional meetings and discussions on philanthropy and the nonprofit sector sponsored by local and national philanthropic associations.

The Cabot Family Charitable Trust's investment portfolio is managed by Fiduciary Trust. Trustees and staff review quarterly investment reports, and investment guidelines are reviewed biennially and as needed with Fiduciary Trust staff. A summary of the Trust's 2022 financial statements are provided at the end of this report.

CABOT FAMILY CHARITABLE TRUST

Trustees:

**Shoma Aditya, Frank Bradley, Laura Cabot Carrigan,
Mary Schneider Enriquez, Greenfield Sluder, Hendrika Sluder**

Grant Program Summary and Eligibility Requirements

Established in 1942 by Godfrey L. Cabot, the Cabot Family Charitable Trust makes grant awards in arts and culture, education and youth development, environment and conservation, health and human services, and civic and public benefit. Within these fields, as appropriate, the trustees prefer programs mainly serving youth and young adults, with a special interest in programs focused on insuring the healthy growth and development of infants and young children, as a foundation for their future success. The trustees are unlikely to fund policy advocacy unless it is part of a larger program that has direct service components. Grant awards are made in the city of Boston and contiguous communities, as well as to organizations in which the Cabot family has philanthropic interest. Applications to the Trust are accepted twice per year for review by the trustees.

Grant applications are reviewed at trustee meetings in June and December. Deadlines for grant applications are February 1 and September 1. If those dates fall on a weekend or holiday, applications are due the next business day by email to elynych@cabotwellington.com.

Nonprofit organizations with 501(c)(3) status are eligible for support. The Cabot Family Charitable Trust does not support sectarian programs of religious institutions, fraternal organizations, event sponsorships, or matching gift programs. The Trust does not make awards to individuals. Support for summer camp programs is channeled through the Summer Fund sponsored by Philanthropy Massachusetts. The Cabot Family Charitable Trust Annual Report lists recent grant awards at www.cabotfamilytrust.org.

Grant Program Policy and Review Criteria

The Cabot Family Charitable Trust will consider grant applications for general support, support for specific programs and activities, and for capital campaigns. While most grant awards are for one year, the trustees may award multi-year funding for capital campaigns and, in limited circumstances, for a period of up to three years where a longer term commitment can be shown to accelerate positive outcomes. Organizations considering a capital campaign request must apply for support by February 1 in any year. Capital requests will not be considered in the fall.

Grant awards range from \$5,000-\$50,000 for a one-year period. After Cabot Family Charitable Trust staff researches and reviews grant applications, the trustees make the final decision on all grant awards.

Applications recommended for funding meet the following criteria:

- Reflect Cabot family interests and provide benefits to communities and organizations that have been supported by the family's philanthropy.
- Extend important services to individuals and groups not served adequately through other programs and institutions.

- Manage change by assessing community needs and developing programs to meet emerging needs.
- Promote productive cooperation and full use of resources by nonprofit organizations and community groups.
- Test new approaches to problems or adapt solutions that have been successful elsewhere.

Grant Application Process

Applicants must begin by submitting a concept paper, using the format found on Trust's website (www.cabotfamilytrust.org), by February 1 or September 1, or the next business day, if that date falls on a weekend or holiday.

The Trust will notify applicants by email that their application has been received within two weeks of the deadline. Please check with staff if no acknowledgement is received. Also, applicants will be notified by email on a rolling basis if further information is needed to complete their consideration of a request, as well as if their requests will not be funded.

Concept papers must be emailed by the close of business on the deadline date to:
